This is Wayne, he's more overweight than the other players, but he's still a good player! And this one's Frank. He's happier than all the others. Frank's always happy, even when we lose. And this is Phil, he's only 17. He's younger than the rest of the team. Then, at the back you can also see Peter. He's so tall, over two meters! He's taller than everyone else in the team. And there's Steve too. He's stronger than the other players and he's not very friendly. Then this one is little Rory. He's shorter than everyone, but he's a very good player!
