

PART 2 (4 minutes)

Teacher In this part of the test, I'm going to give each of you three pictures. I'd like you to talk about two of them on your own for about a minute, and also to answer a question briefly about your partner's pictures.

X, it's your turn first. Here are your pictures. They show people listening to music in different situations.

(Show photos 1, 2 and 3 on page 133 to X.)

I'd like you to compare **two** of the pictures and say why the people might want to listen to the music in these situations and how enjoyable the music might be.

All right?

(Allow about a minute for X to talk without interruption.)

Thank you.

Y, who do you think is appreciating the music most? ... Why?

(Allow Y about 30 seconds.)

Thank you. Now, **Y**, here are your pictures. They show people travelling in different ways.

(Show photos 4, 5 and 6 on page 134 to Y.)

Thank you.

Now, talk to each other about what might make these careers difficult for some people to follow.
