

Match and color.

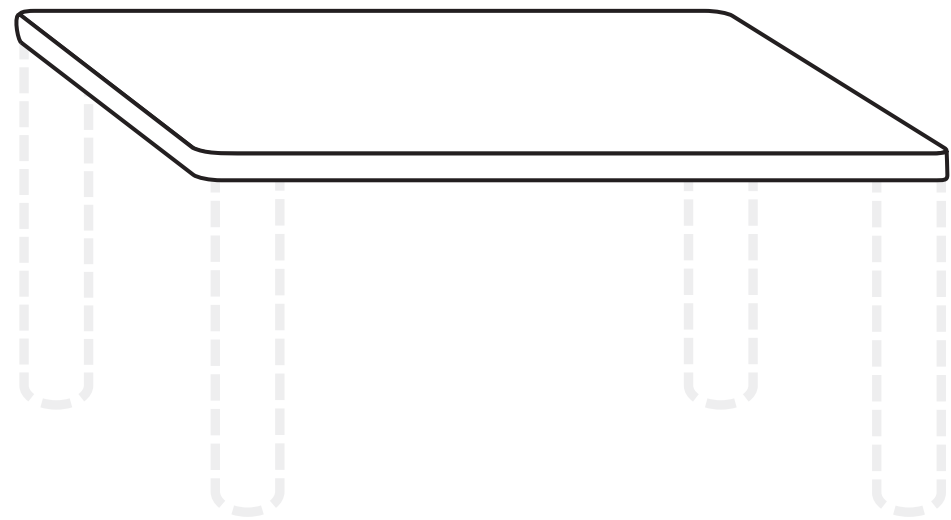

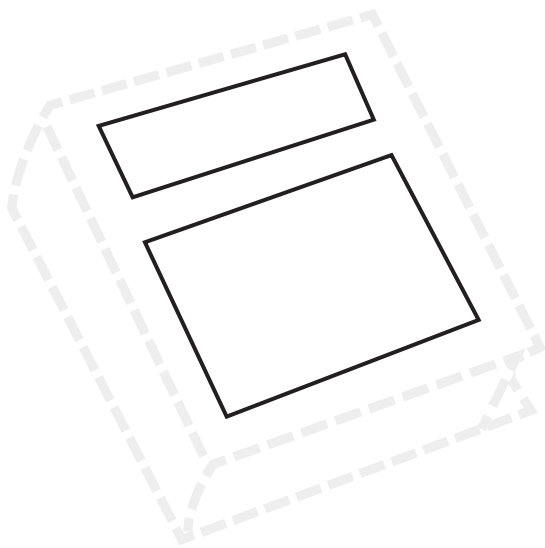

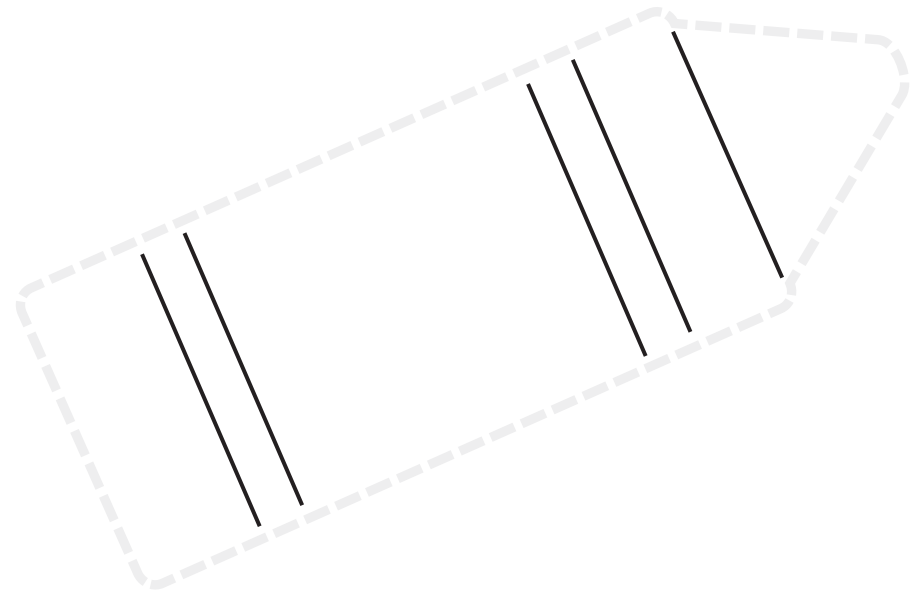

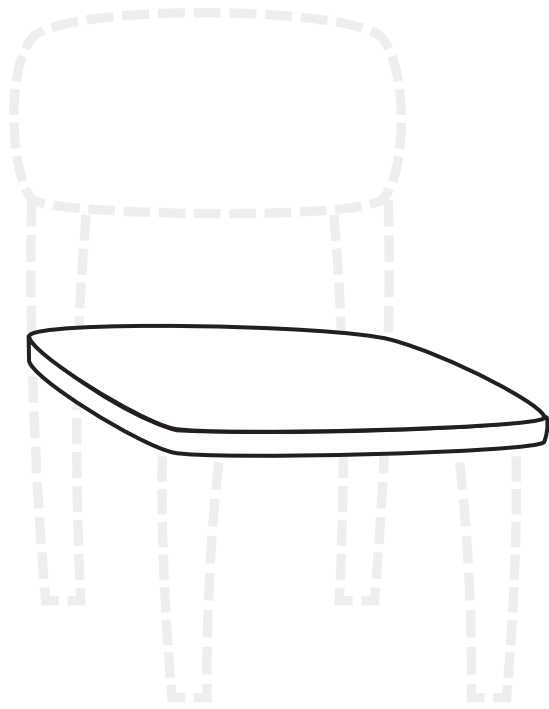

Students match the people. Then they color them in.

Trace and color.

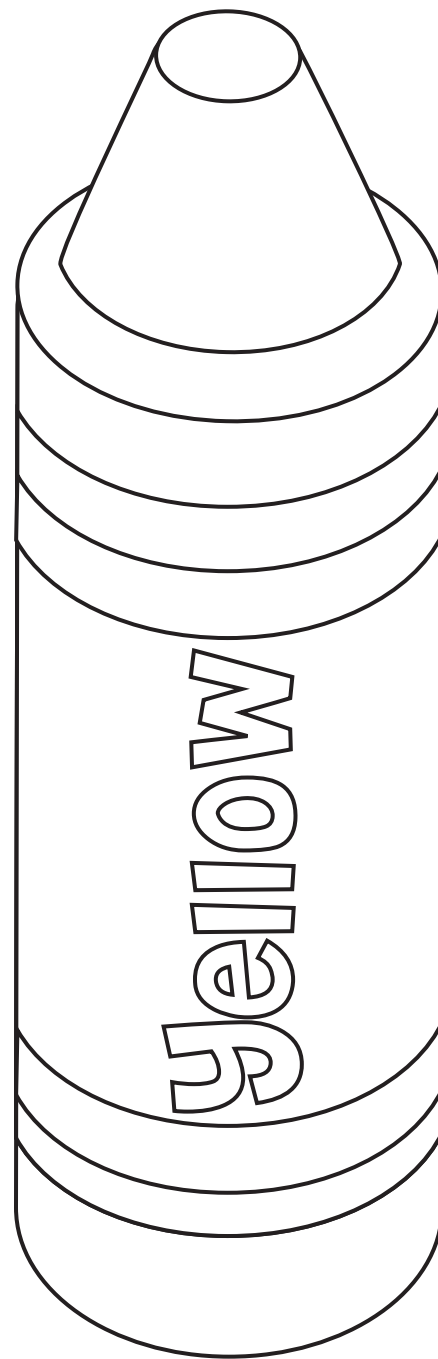

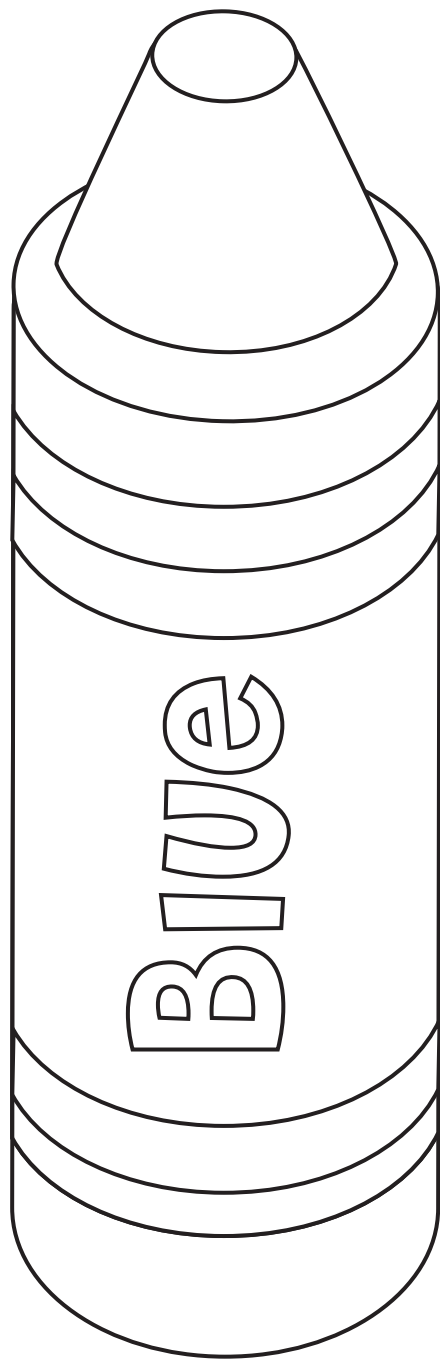

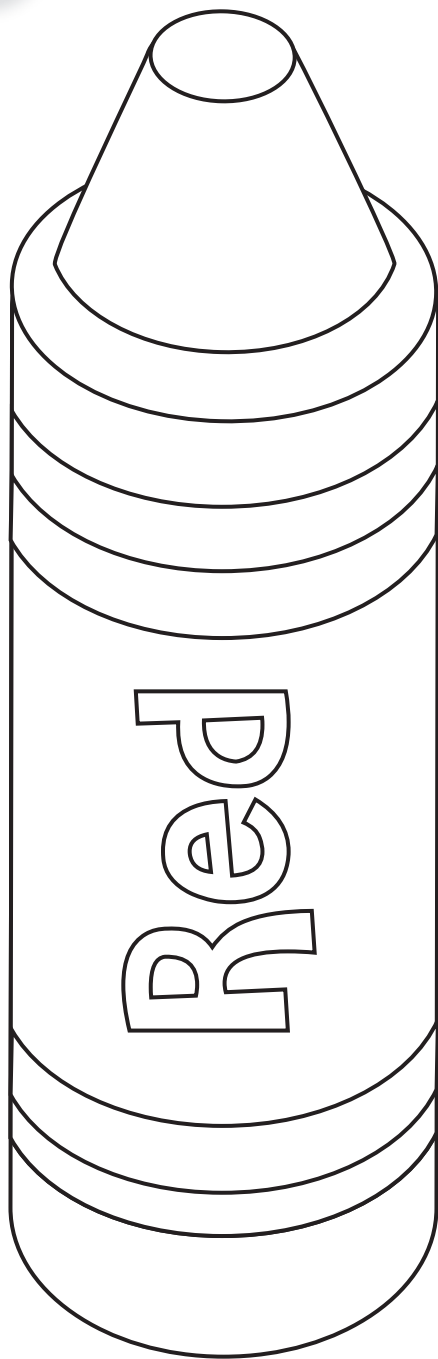

Students trace around the items. Then, they color in the objects.

Look and color.

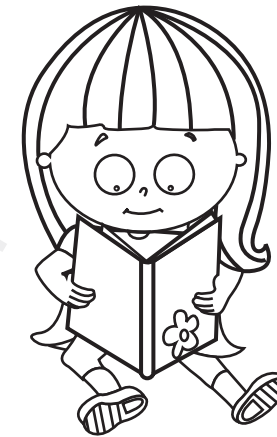

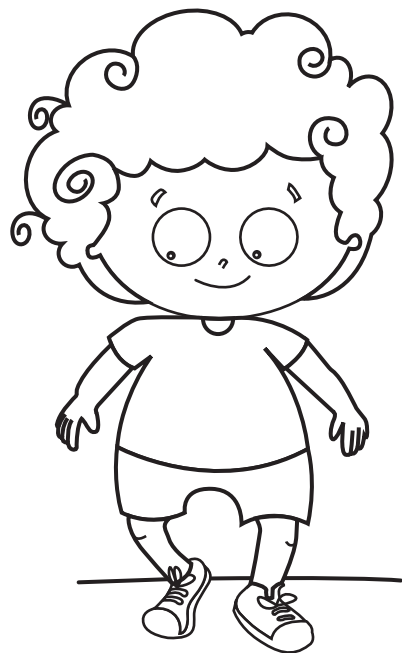

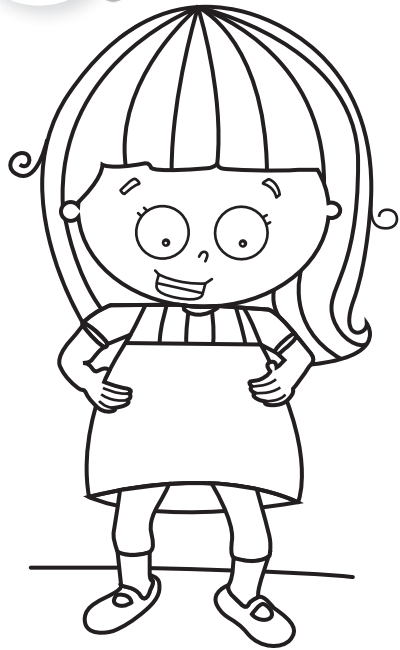

Students color in the crayons.

Match and color.

Students identify the boy and the girl on the left. Then, students match the girl to the girls on the right and the boy to the boys on the right. Then, students color in the pictures.

Cut and glue.

Students look for pictures of eyes, noses, mouths and ears in magazines. Then, they cut and glue the pictures in the corresponding boxes below.
